February (2/1/17) – Open House and Fly Tying Marathon – From 6:30 pm to 7:30 pm we will be assisting Lake Metroparks in a Beginning Fly Tying Class. We can use a lot of helpers in teaching some basic techniques. This is a great outreach opportunity for our group. At 7:30 pm we will be starting our Open House and Fly Tying Marathon. We will be holding an Open House for individuals interested in meeting club members and learning about club activities. We will be tying flies for a charitable organization. This year we will be presenting our flies to Project Healing Waters. Bring your tying gear and have some fun. Light refreshments will be provided.

March (3/1/17) – Tom Koritansky, Lake Metroparks Fishery – Natural Resource Manager. Tom has agreed to offer us an updated presentation on the “Lake Metroparks Fishery.” The last time Tom presented, all enjoyed and learned about all the work the Lake Metroparks are doing for us in terms of fishing opportunities. Tom will be providing the presentation and fishing guidance to this fishery in our own backyard. Join us, and you will gain some great insight.

April (4/5/17) – Visit to the Chagrin River Outfitters (CRO) in Chagrin Falls at 6:30 pm. Dan Pribanic will speak about trout fishing opportunities in late April and May in Pennsylvania, the end of the Steelhead season, and other fishing opportunities and adventures. This is always a good time.

May (5/3/17) – NCFF Membership Discussion on the past year. We will think about what we want to do as a club over the next year and into the future.

June (6/7/17) – Picnic – We will be holding our end of year picnic at Veterans Park in Mentor where there is a lake for fishing Bass and Bluegill. A one-fly fishing contest will be held after the picnic with a prize awarded for the largest fish caught, measured, and released.
