NORTH COAST FLY FISHERS

A Premier Fly Fishing Club
in Northeast Ohio

EDUCATE, CONSERVE, ENJOY

Welcome!

North Coast Fly Fishers is a club that is vibrant and exciting with a lot to offer, no matter what your fly-fishing interests. As a charter club of the Federation of Fly Fishers, the leading national organization promoting fly-fishing for all fish in all waters, our purpose is to promote the enjoyment of all aspects of the sport with education and conservation programs. We are committed to providing education in the best practices and techniques of the sport, including fly-fishing, fly casting, fly tying, and fish and water conservation.

Fly Fishing

For those who prefer the fishing aspect of our sport, we have some wonderful and informative presentations by some of the best regional authorities on fly-fishing. We also have fun and informative outings, from trout fishing in Pennsylvania and private waters in Ohio, to salmon fishing in Michigan, and steelhead, pan fish, and small mouth bass fishing closer to home.

Fly Tying

We have several programs to offer for fly tiers. We have Beginning Fly Tying, Favorite Fly Tying, and demonstrations from some of the best regional tiers. These programs cover all skill levels. Beginner Fly Tying is for someone who has never tied a fly or is still a novice. All tools and materials are provided and someone from our education staff will take you step by step through the process. Favorite Fly Tying is geared toward the intermediate tier and above. A different NCFF member directs this each month. You will also learn effective presentation techniques and the history behind the pattern. Materials are provided, but you will be required to bring your own tools and tying vice.

Special Events

If you like fly-fishing and tying shows, you will not want to miss ours, the Northern Ohio Fly Fishing Expo held in January. This is fast becoming a destination show and a standard by which other shows in the Midwest are judged. We feature many of the best regional and national tiers at the show. We also offer educational classes in all aspects of our sport including fly-fishing, fly tying, and equipment. Many local and regional vendors are available to help you gear up for your next outing or to supply you with the materials you need to tie the perfect fly. Annual NCFF events include our Holiday Banquet, Fly Tying Marathon and Open House, and our popular end of the year picnic.

North Coast Fly Fishers has a lot to offer. From eight to eighty, there is something for everyone and we encourage you to take full advantage of everything we have to offer. For current updates or to view past issues of our newsletter, The Taut Line, please visit us at www.ncff.net.
