Open House and Fly Tying Marathon

February 1, 2017

From 6:30 pm to 7:30 pm we will be assisting Lake Metroparks in a Beginning Fly Tying Class.

At 7:30 pm we will be starting our Open House and Fly Tying Marathon for individuals interested in meeting club members and leaning about club activities.

We will be tying flies for a charitable organization. This year we will be presenting our flies to Project Healing Waters.

Light refreshments will be provided.
